Focal Point Billingshurst

Industrial & Warehouse Development

Focal Point Billingshurst is an exciting and unique 9 unit speculative warehouse/industrial development with units ranging from 1,905 - 25,843 sq.ft.

Located on the Platts Roundabout which provides immediate access to the A29 and A272 and provides fast links to the south coast and southern home counties. Billingshurst is an affluent commuter town with a fast growing population and over 1000 new homes committed within the Local Plan for Horsham District. The site also benefits from well known occupiers located nearby including:

TRIUMPH

STARBUCKS

HOWDENS

SCREWFIX

The scheme will be developed to the highest specification and green credentials, including net zero carbon emissions and the site will also achieve water neutrality – so all water will be provided via recycling technologies.

- 3.7 acre site
- Providing 9 new urban industrial units totalling 53,043 sq/ft.
- All units finished to the highest specification.
- Occupiers benefit directly from full water neutrality via water recycling techniques.
- Occupiers benefit directly from photovoltaic panels on all units.
- Planning granted for use classes B1(c), B2, B8.

Located on the Platts Roundabout which provides immediate access to the A29 and A272 which provides fast links to the south coast and southern home counties.

*Indicative CGI

POTENTIAL
SAVINGS OF
C. £1.14PSF
PER ANNUM*

Occupiers will benefit directly from the free electricity generated from the PV system, this will enable a maximum cost savings per annum if all the electricity is used as below;

- Unit 1: £2,365 p.a.

Unit 2: £1,625 p.a.

Unit 3: £1,270 p.a.

Unit 4: £1,180 p.a.

Unit 5: £6,160 p.a.
- Unit 6: £4,284 p.a.

Unit 7: £4,945 p.a.

Unit 8: £5,225 p.a.

Unit 9: £5,873 p.a.

*assumption/calculation is based off an assumed rate of £0.28p kW.

Water Harvesting
and Recycling Technology

Each unit will have a water supply connected to the estates rainwater harvesting system to serve all WC systems and non-potable water sources. Focal Point is breaking new ground in trying to achieve a scheme that is almost 'water neutral' via this and water regulation technologies.

*Savings based on the energy saving specification including PV panels and building efficiencies when compared to a 15 year old building of a similar size.

**Indicative CGI

Location

Platts Roundabout, Billingshurst, RH14 9HZ

The property is located on the Platts Roundabout junction of the A272 and A29, which provide fast connections to nearby Horsham, Southwater, Worthing, Bognor Regis, Chichester, Crawley and Pulborough. Billingshurst Train Station, a 10 minute walk from the property, is on the Southern Rail Line and provides direct rail services to London Victoria in 1 hour and 10 minutes.

There are also regular services to Horsham, Crawley, London Gatwick, Southampton and Chichester. Gatwick Airport is approximately 20 miles north, providing flights to both international and domestic destinations.

 ROAD		 RAIL	
Horsham	8 miles / 15 mins	London Victoria	1 hr 10 mins
Crawley	15 miles / 25 mins	Horsham	10 mins
Worthing	17 miles / 27 mins	Crawley	27 mins
Brighton	26 miles / 40 mins	Gatwick	38 mins
Chichester	22 miles / 35 mins	Chichester	36 mins
London	45 miles / 1hr 30 mins		
		 AIR	
		London Gatwick	22 miles / 28 mins
		London Heathrow	44 miles / 55 mins
